Several saddles were stolen during the Hampton meeting. The dirty thieves should be caught and punished severely.

One of the Republican supervisors, Jno. T. Wilson, is a candidate for office.

A communication describing the Democratic meeting at Doko, reached us too late for publication—much to our regret.

Wallace told the negroes on Saturday the old lie about their being put back into slavery in the event of a Democratic victory in South Carolina.

Dunn told the negro women that if Hampton should be elected, they would have to stop wearing fine dresses and put on rough homespun.

United States Commissioner Wilkes was here last Saturday, but made no arrests. Hurrah for Hampton!

Connor & Chandler have just received a fine lot of jewelry, silverware, etc. Read their advertisement.

The next fair of the South Carolina Agricultural and Mechanical Society will be held at Columbia on the 28th, 29th and 30th of November, and the 1st of December.

Col. Sam Dickerson, the somewhat famous black lawyer of Charleston, was in town a few days ago—for what purpose we have not been informed.

The present board of county commissioners have money sufficient, not only to pay all claims against the county, but to leave a surplus in the treasury. This speaks well for the management of the board.

Old Wallace left town shortly after the Radical meeting adjourned. He would not wait till night, as he does not relish a "good, square, Democratic holler," as General Butler calls it.

Religious services will be held in all the churches this morning at eleven o'clock, and there will be a union prayer-meeting at the Presbyterian church to night at seven o'clock.

We were mistaken in stating that Messrs. Thompson and Richardson were the only white men recently nominated by the Radical executive committee: we had overlooked the name of Mr. George Hinnant.

The negroes at Chester were told that the cause of Chamberlain's non-attendance at the meeting there was that he had spoken at Winnsboro

and was too much fatigued to speak at Chester! A specimen Radical lie.

ATTEMPT AT INCENDIARISM.—An attempt was made on last Friday night to fire the residence of Dr. W. E. Aiken in this place. A person was seen to strike a match near the cellar, in which was stored a quantity of hay and straw. The conclusion is that he intended to fire the building.

DECORATIONS.—The ladies of the State are requested to send decorations for the Hampton Demonstration at Columbia on the 4th of November, to Capt. W. B. Stanley, Columbia, S. C. They will aid the ladies of Columbia by sending the decorations by the 2nd.

Twenty-five additional companies of United States troops have been ordered to South Carolina within the past week, most of which have already arrived. There are now between thirty and forty companies in the State. Hurrah for Hampton!

The negroes were told that the cause of Chamberlain's non-attendance at their big meeting last Saturday was his detention in Columbia to provide camping-grounds for numbers of colored troops that had arrived there. And the deluded creatures seemed actually to believe the story!

AN EPISTLE.—The Chester Reporter contains the following, being an exact copy, "speaking, punctuation (?) and all," of a letter received by a colored man from "a prominent leader of the party" in Winnsboro:—

WINNSBORO, October 11 Dear Sir if you can see the Republicans and get them to gather and have a meeting in Chester by next Saturday Rev. Mr. John Green will make speech there.

Dunn was very abusive of the whites in his speech to the negroes on Saturday. Dunn is the creature who, two years ago, said that if Attorney-General Melton would retract a certain remark, he would kill him at sight. But afterwards, "for sufficient reasons," publicly retracted. Bullies are always loud-mouthed when away from danger.

DENTAL NOTICE.—Dr. Isaiah Simpson, surgeon dentist, of Charleston, S. C., begs to inform the citizens and public generally that he will visit Winnsboro professionally on the 6th day of November, and remain ten or twelve days. Call early, and save confusion at the last. Do not put off for to-morrow what can be done to-day. Teeth extracted without a fee. Terms cash. Satisfaction guaranteed.

INTIMIDATION.—Ned Davis, a notorious Radical negro, attempted on last Saturday a little intimidation on Sam Davis, a colored Democrat from White Oak. He said, while in close proximity to Sam, that he had no use for "nigger Democrats," and that he was keeping some buck-shot for them. Sam remonstrated with him for using such language, charging him with having uttered the words given above. At this juncture our special reporter walked up to take a hand, if necessary, and Ned admitted in his presence saying substantially what was attributed to him. If this is not a clear case of attempted intimidation we do not comprehend the meaning of the word. This same Ned Davis has given utterance to violent language on other occasions, and certainly requires watching. We advise our citizens to keep a sharp lookout for him, for he is calculated to stir up a great deal of bad blood.

COLORADO DEMOCRATIC CLUB.—A colored Democratic Club was organized at Alston last week, by Bolin L. Gregory, the colored man whose letter was read at the Hampton meeting on the 16th inst. Thirteen members were enrolled, and large additions may be confidently expected. Double that number of new members may be looked for. The following officers were elected: B. L. Gregory, president; James Trapp, first vice-president; Joe Taylor, second vice-president; John Trapp, secretary. Gregory has written a letter to the Columbia Register, in which he says: "I was a vice-president in a Union League in township 14, Newberry county, and was sworn to vote for honest men. I can't find them in the Radical ranks, and for that reason will work day and night for Hampton and Reform."

THE RADICAL MEETING.—The Radical meeting on last Saturday was of course a noisy affair. The procession marched and counter-marched through the different streets, mak-

ing much noise, and seemingly intending to make a great show of their strength. There were about eight hundred mounted men and boys, five hundred men and boys on foot, and four hundred women and children—making in all about seven hundred colored persons. When it is considered that there are upwards of two thousand colored voters in the county, the turnout was by no means large. Speeches were made by Wallace, Dunn and Jilison in the usual strain—love for the "man and brother," and abuse of the white people of South Carolina. After the speaking a procession was formed, and with the speakers in front, it marched to dinner at the African Church, the girls singing— "Joyful, joyful will the meeting be, When from sin our hearts are pure and free," etc.

The crowd dispersed about dusk. Everything went off without disturbance. There were about four hundred mounted Democrats in town, but they only rode past the meeting-ground in perfect silence. Altogether the affair was rather a failure.

Supervisors of Election for Fairfield County.

- HONORABLE. Dr. E. A. Gibson, C. W. Cummings. KILLINGSWORTH. A. J. Lamar, Frank Killingsworth. FEARTEVILLE. T. W. Traylor, W. W. Penke. YONGUESVILLE. T. W. Brice, S. B. Lumpkin. JENKINSVILLE. D. L. Glenn, John M. Martin. MONTICELLO. T. E. Bell, Isaac B. Smith. WINNSBORO. J. H. Cummings, Eph. V. Johnson. DOKO. T. W. Riehboug, Andrew Adams. RIDGEWAY. E. W. Oliver, John T. Wilson.

In the above list the first name is that of the Democratic supervisor, and the second of the Republican. The supervisors named are requested to make the proper oath before H. N. O'Neal, Esq., U. S. Commissioner, as soon as possible, and receive their commissions.

Preference, not Proscription.

At a large meeting of the Democratic Club of township no. 4, held on the 23rd inst., the following preamble and resolutions were unanimously adopted:—

Whereas, it is the opinion of this Democratic Club that the charges made against the Republican party, and embraced in Sections 4 and 5 of the Platform of Principles adopted by the State Democracy, are true, and the origin and cause of the present deplorable condition of our State; and whereas, every honorable effort has been and is continuing to be made by our citizens to enlighten the colored men and laborer, up to the point of political intelligence that will enable him to discover that his true interest and welfare lie in his renouncing allegiance to said party and uniting with us in our efforts at reform; and whereas many such men persistently and tenaciously refuse to aid us in bringing about the reform we so much desire, by deliberately closing their eyes and ears to our earnest and emphatic appeals, and in consequence are still grinding down the already over-burdened tax-payer, citizen and land-owner, therefore be it resolved—

- 1. That we, the members of the Democratic Club of township no. 4, wishing not to discourage honorable employment, determine, as far as possible, from this time forth, in all departments of business and labor, to extend our patronage to those who unite with us in the effort to secure a good government, in preference to those who oppose us in such effort.
- 2. That the feeling which suggests the foregoing resolution be not construed as an instrument to force any one from his honest convictions, but simply as the effort of this club to save the country from the party of Ruin or Ruin.
- 3. That the foregoing preamble and resolutions be published in THE NEWS AND HERALD.

Outrageous Abuse of Power.

Have the people of the country any conception of the way in which the Deputy Marshals and United States Commissioners abuse their power in South Carolina? Three specimen cases were reported recently:

- 1. A colored Democrat named White was speaking at a Democratic meeting at Blackville on Thursday. A Radical negro attempted to put White from the stand, and was pushed aside by some white Democrats who were near by. For being molested by the Radical negro, the Democrat, White, was arrested under the Enforcement Act. The Radical intimidated the Democrat, and the Democrat was accused of the intimidation!
- 2. A white man named Chapman, at Blackville on Thursday, hurrahed for Hampton. He was immediately colored by a colored United States Marshal and dragged before the United States Commissioner. His attorney was denied admittance to the place where he was confined, and on Thursday night Chapman was still in custody. It is so made a

crime to be a Democrat, and express a preference for the Democratic candidate!

B. S. C. Williams and others were arrested in Blackville under the Enforcement Act. An examination was had before United States Commissioner Eaton. The counsel for the defendants showed that there was not a tittle of evidence in support of the charge of intimidation, and that, on the contrary, the mutual threats of violence were founded upon personal antecedent ill-feeling entirely apart from political considerations, and culminating in the threats of Bill Bull, the complainant, to proceed to Ellenton and throw his "weight and mighthood" into an insurrectionary movement, aimed against life and property. Mr. Commissioner Eaton, in reply, said: "I may as well state at once to you and save further discussion, that I am acting under instructions, and by these I must be guided. The United States authorities are informed by testimony before them that a conspiracy exists in Barnwell county against the lives and political privileges of the colored men. This conspiracy I am here to ferret out and bring before our courts for punishment; and although the evidence is weak, it makes part of a great whole, and as such, I feel bound in duty not to reject it and I shall, therefore, require of these parties to find surety for their appearance at Court in the sum of \$1,000 each." Can there be anything more monstrous than this? Upon the ex parte statements of Governor Chamberlain and his willing witnesses, the United States decide that there is a conspiracy in Barnwell, and because of that imaginary conspiracy, arrest and hold to bail any citizen who is accused of conspiracy, even when the evidence is admitted to be weak. Weak? Why, during the examination by Commissioner Eaton, the complainant, Bull, varied his testimony, in presence of the defendants, from what he gave Mr. Eaton in private, and the Commissioner said to him with considerable asperity: "You people must stick to the statements you first make to me and be more careful what you say you told me," (reading from his notes,) whereupon Bull taking the cue repeated his original story. Bull told the lie, and Mr. Eaton taught him to stick to it.

The three instances we have cited are fair samples of the character of the arrests for political purposes, under the Enforcement Act in this State.—News & Courier.
